## Testimonial to Mr. Sanjay Rane of SAP Global Logistics

I, Dr. Arun Kulkarni from Biomax, offering Environmental products give this testimonial to SAP Global Logistics with pride and pleasure.

I had to send a couple of samples to Kenya. As per the new rules, even for samples, we need to have an IEC number. All the consultants claimed it will take minimum 3 – 4 weeks to get the number. I did not have that much time. M/s. SAP Global Logistics headed by Mr. Sanjay Gopal Rane' offers consultancy in the matters of imports-exports. They assured me to get it in less than a week's time. To my pleasant surprise the IEC was on my table within a week. That is their level of expertise, Hats off to SAP Global Logistics.

I am more than satisfied with their work, and look forward to continuing the business relations with them for long term. I strongly recommend all my connects to approach SAP Global Logistics in matters of Imports-Exports.

I wish grand success to SAP Global Logistics in all their endeavors.
