Testimonial to "SAP Global Logistics"

We M/S JE Mechanical Pvt Ltd, based in Mankoli, Bhiwandi is a professionally managed manufacturer of sheet metal fabricated components and has built up a reputation as a quality orientated company in materials, workmanship and customer support.

We take an opportunity through this testimonial to express our sincere gratitude and mention our appreciation towards prompt services SAP Global Logistics has provided towards DGFT services such as obtaining MEIS license benefits, closure of EPCG license for our export shipments as well as smooth door to door services from our Bhiwandi factory to Uganda by Air. We feel glad to inform you that over a period we have felt that your concerned staff is very understanding, cooperative and recognised our needs very well.

We would like to express our appreciation for your incredible DGFT Services as well as CHA services.

We, therefore, would not hesitate to recommend the services of SAP Global Logistics to others.

With Best regards,

Mr. Purushottam Attarde

TO WHOMSOEVER IT MAY CONCERN

We at Jai Engineers are engaged in manufacturing Sheet metal components of more than 100 metric tons per month at Bhiwandi and are working with reputed companies at American Tower Corporation, Reliance communications & African Telecom companies since last 10 year.

We take an opportunity through this testimonial to express our sincere gratitude and mention our appreciation towards prompt services SAP Global Logistics has provided towards DGFT services such as obtaining MEIS and EPCG license as well as Customs clearance of our imported machinery shipment recently from China. We feel glad to inform you that efforts put by your office staff to quick solutions for us.

We look forward to tie up with you in more such areas & expect similar high standard services all the time.

We, therefore, would not hesitate to recommend the services of SAP Global Logistics to others.

With Best Regards,

Mr. Purushottam Attarde
